## THE DIRECTOR'S DISH

Our intent is to help out as many people and animals that we can physically and financially afford, but we do have limitations with our space and policies to follow. Accepting animals into the shelter is based on multiple factors with kennel space being #1. From time to time we do need to pause intakes, primarily kittens, and refer those in need to other resources.

While we are the primary impound/shelter in our immediate area, expanding your reach will likely offer up more resources that can assist on your timeline. Many shelters and rescues exist specifically for taking in medical cases, emergency surrenders and behavior issues.

Below is a local list of just a few of the many animal resources that may just help someone out the next time they are feeling helpless.

Pet Haven  
(952) 831-3825

Bond Between  
(952) 322-7643

The Bitty Kitty Brigade  
(651) 705-6264

Eazi's Way Rescue  
(651) 327-0340

Animal Ark  
(651) 772-8983

Animal Humane Society  
(952) 435-7738

# ADOPTABLE AVENUE

If you have been dreaming of adding a new pet to your family, let us help you find your match! Here on "Adoptable Avenue", we'll highlight some of our residents hoping to make that connection with you.

A few important things to know when adopting from River Bluff Humane Society.

1. All adoptions are scheduled via appointment after your application has been approved.
2. Your current pets **MUST** be spayed or neutered and have vet history of Distemper & Rabies vaccinations.
3. Landlords must approve of keeping pets on the premise. They will be contacted by RBHS.
4. Apply online at **www.rbhspets.org**. Applications are user friendly and on average, take 24-48 to process.
5. Apply today!! You can submit an application even if you don't have a specific animal in mind.

**APPLY ONLINE**

**RBHSPETS.ORG**

**PAPER APPLICATIONS  
AVAILABLE  
AT THE SHELTER**

Shasta is one of our resident cats that gave birth here in the shelter and is now spayed, microchipped and current on her vaccinations. She is ready to set forth on her own second chance at life and hoping to find her forever family. Shasta is a friendly cat that comes off a bit shy at first in our playroom but we know that her bubbly personality will shine in the right environment. She has interacted with other cats from the mom group and done just fine so Shasta would most likely do well in a multi-pet household given the proper time to adjust. if you have a place that Shasta can call home, please apply online to adopt.

**ADOPTION FEE: \$150.00 + tax**

A cat full of personality and spunk, Roomba is always saying what is on her mind even if you aren't interested in listening! Not a mean bone in this gal's petite body, Roomba is friendly, personable and a very curious cat. Roomba and her 4 babies came to the shelter shortly after she gave birth and now that she has completed her motherly duties, it is time for her to enjoy being someone's best friend. Roomba is young herself, estimated to be around a year old and she is on the smaller side at 7 pounds. Roomba does well with other cats, not super playful but coexists well and given time she could end up playing with the right cat or dog. if you're looking for a sweet Tabby cat to join your home, please consider Roomba and apply today at [www.rbhspets.org](http://www.rbhspets.org)

**ADOPTION FEE: \$150.00 + tax**

Fatima is such a friendly and unique looking cat so we're excited to see her off on her new adventures! Fatima came into the shelter right before giving birth to a batch of beautiful kittens. She is now spayed, microchipped and current on her vaccinations and ready to live her life. Fatima has the most unique coat patterns we've seen in awhile and is such a curious and engaging cat that if you're looking for a fun partner, she might just be it. Our best guess it that she is around 1.5 years old and given time and proper introductions could live in a multi pet household. Apply online today!

**ADOPTION FEE: \$150.00 + tax**

# Adoption UPDATES

## Luna

Intake: 7/31/2025

Adopted: 9/13/2025

In September, we'll be celebrating one year since we brought our beloved Luna home! As dog walking volunteers, we get to know a lot of dogs. But there was just something about Luna - so sweet, loving, goofy and fun. We just knew she was the right dog for us. But how would our senior pup feel about her? To our relief, they are best buddies! We could not have predicted how much Luna would enhance our senior gal Daisy's life. She is way more active and happy now, and we're often told she doesn't act like a senior. Thank you RBHS for saving Luna so our family could finally be complete.

Love,  
The Kehrens

## PLEASE CONSIDER BEING A MONTHLY DONOR

I hope you have had a great summer so far, enjoying time with family and friends and, of course, your beloved pets.

As summer draws to a close, the shelter board is looking ahead to the next fiscal year. Fundraising is always an important subject as we look at ways to ensure we have the necessary income to cover all our expenses.

As you know, River Bluff Humane Society relies heavily on public donations for our operating capital. We are so grateful for each person, business, or group that has donated to our mission. Thank you!

One of the ways we would like to explore more consistent income is through sustaining (monthly) donations. We're keeping it simple: sign up on our website at [rbhspets.org](http://rbhspets.org). Click on the Donate button and choose either the PayPal link or GiveMN link. Both links provide the option for monthly giving.

Monthly donors help ensure we have steady income to cover our veterinary expenses, provide a safe landing place for lost and homeless pets, fund important outreach like our pet food shelf, and keep the building safe and comfortable for all animals in our care, and so much more. It's important work and we need you to continue to make it possible.

Speaking of fundraising, if you have a heart for fundraising and are interested in serving on a committee or event, or have an idea for an event, please send me an email at [seabergkaren@gmail.com](mailto:seabergkaren@gmail.com). I welcome the opportunity to chat.

Meanwhile, I'm signing up to be a monthly donor and I hope you will join me. Any amount would be helpful and appreciated. Truly.

Thanks for your support!  
Karen Seaberg  
Board President
